#### ABOUT CONFERENCE

The International Conference on "Role of Artificial Intelligence in Re-shaping the Multidisciplinary Research" will be organized by Computer Science & Information Technology. The conference's theme is more inclined towards Multidisciplinary Research in Arts & humanities, Medical Science, Management, Science and Technology. The main objective of the International Conference is to ignite and motivate the young dynamic researchers to carry out advanced level innovative research works either his/her own domain or interdisciplinary domain by using new age tools and technology mainly Artificial Intelligence and Machine Learning.

#### WHO CAN PARTICIPATE ?

Academician from different Institutes/ Colleges/ Universities/ Industry Professionals/ Research Scholars/ Student Entrepreneurs/ MSME/ Government Experts and Bureaucrats are cordially invited to participate and present their papers as per the themes mentioned.

#### CALL FOR PAPERS

The manuscript must be grammar and spell-checked, with one author designated as the corresponding author. Plagiarism is disqualified. The manuscript should include the cover page, abstract, body of text, exhibits, appendices, and references. The originality certificate "cum" consent is required for publication. An expert committee evaluates manuscripts for calibre, originality, and applicability, and articles are checked for plagiarism before forwarded for review. Only Microsoft Word documents (.doc/.docx) may be submitted. Please closely adhere to the following general recommendations:

- A4 paper size is OK.
- Size and font are Time New Roman. Double 12 point line spacing.
- Margin: 1" all around
- All figures and tables should be incorporated within the text and should be justified. Page headers and footers are not necessary. The font and size of the figure caption style should match those of the body text.
- Word count, including the abstract, 4,000–5,000.

Note:- Only Accepted Papers shall be presented in the conference.

- SUBTHEMES**
- "AI in Healthcare: Revolutionizing Diagnostics and Treatment Across Disciplines"
  - "Sustainable Future: AI-Driven Solutions for Environmental Challenges"
  - "AI-Powered Social Sciences: Analyzing Human Behavior and Societal Trends"
  - "AI and Engineering: Advancements in Automation and Design Optimization"
  - "Data-Driven Discoveries: AI's Impact on Scientific Research and Breakthroughs"
  - "AI-Enhanced Education: Personalized Learning and Skill Development"
  - "From Big Data to Insights: AI's Role in Multidisciplinary Data Analysis"
  - "AI in Arts and Humanities: Exploring Creativity and Cultural Understanding"
  - "AI and Business: Transforming Decision-Making and Market Analysis"
  - "AI for Planetary Exploration: Unveiling Mysteries of the Cosmos through Robotics"

- Dr. Arti Gupta, Dean, Arts and Humanities
- Dr. Asha Mishra, Dean, School, of Science
- Dr. Ajeet Kumar Mahto, Principal, MKHMCH
- Dr. Kailash Nath Singh, HOD, B. El. Ed., School of Education
- Dr. Anjani Kumar Singh, Incharge Dean Engr. And Technology.
- Dr. Kamal Kant Patra, Assistant Registrar(Academics)

## Advisory Board :

- Dr. Tapan Kr. Shandyl, VC., Dr. Syama Prasad Mukherjee University, JH.
- Dr. Nand Kumar Indu, Ex.VC Central University of Jharkhand, Ranchi.
- Dr. Ramesh Kumar Pandey, Ex VC Ranchi University, Ranchi.
- Dr. S.P. Singh, Ex VC, Veer Kunwar Singh Aara University, Bihar.
- Dr. R.N.S. Yadav, Ex. Scientist, ICAR
- Dr. Vishnu Priye, Director IIIT, Ranchi, Jharkhand
- Dr. Gopal Pathak, VC, Sarla Birla University, Ranchi
- Dr. K.P. Yadav, VC, Mats University, Raipur, CG.
- Dr. Pramod Kumar Nayak, V.C., Aisect University, Jharkhand
- Dr. S.P. Agarwal, V.C., Sainath University, Jharkhand
- Dr. Savita Sengar, V.C., Jharkhand Rai University, Jharkhand.
- Dr. R.K. Vajpayee, V.C., Capital University, Jharkhand
- Dr. J.P.Mishra, V.C.Ramchandra Chandravanshi University, Jharkhand.
- Dr. S.Chaterjee, V.C., RKDF University, Ranchi, Jharkhand.
- Prof Subhash Chandra Yadav, Professor & Head, Dept. of CSE, CUJ, Ranchi
- Prof. Dilip Kumar Yadav, Professor & Head, Dept. of CSE, NIT, Jamshedpur.
- Mr Gautam Hazari, Technical Director, GSM Association, London (UK)
- Mr Abhishek Kumar Singh, Director, Accenture, Gurugram
- Prof. MP Dhore, Professor, Department of Electronics & Computer Science, Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur, Maharashtra.

## SPECIAL ADDRESS BY:

**Prof.(Dr) A.K.Nayak**  
Advisor,  
IIBM Group of Institutions  
Former President,  
Computer Society of India

## OUR SPEAKERS:

**Prof. Dharm Singh Jat**  
Professor,  
UNESCO Chairholder,  
Namibia University of Science and  
Technology, Namibia

**Dr. RR Deshmukh**  
Former Professor & Head,  
BAMU, Aurangabad, Maharashtra  
Visiting Professor  
South Federal University, Rostov, Russia

**Prof. Subhash Chandra Yadav**  
Professor and Head,  
Department of Computer Science and  
Engineering  
Central University of Jharkhand, Ranchi

**Mr. Gautam Hazari**  
Technical Director, GSM  
Association, London (UK)

**Dr. Durgesh Kumar Mishra**  
**Director & Professor,**  
**SCSIT**  
**Symbiosis University of Applied**  
**Sciences, Indore**

**Prof. Iftikhar Balakishi Abbasov,**  
HOD, Engineering Graphics and Computer  
Design,  
Engineering-Technological Academy of  
Southern Federal University, Taganrog,  
Russia

## ABOUT YBN UNIVERSITY

The YBN group is a substantial and diverse organisation that disseminates information in the fields of engineering, pharmacy, science, commerce and management, medical sciences, arts and humanities, nursing, education, law, etc. The educational group has committed to provide top-notch professional education through highly regarded courses, seminars, conferences, guest lectures, industrial visits, and first-rate academic facilities. We support students' entire growth with a solid foundation built on the pillars of knowledge, intellect, and values. The programmes are designed to fulfil the needs of both industry and academia while keeping up with the current, dynamic, and globalised environment. We are committed to providing quality in our academic programmes.

## VISION

We have faith in a bright future, in doing our best while encouraging others to do the same. Our forefathers understood the necessity for universities to provide their students with the ability to adapt and lead constructive change for the future because professional and industrial settings are always changing.

## MISSION

The mission of YBN University is to engage in outstanding scholarship that makes a major contribution to society and to produce groundbreaking research.

## ORGANISING COMMITTEE
