YBN UNIVERSITY

Established by the Act of Government of Jharkhand Act 15, 2017

Gazette Notification No.- 505, Dated 17th July 2017

As per Section 2(f) of UGC Act 1956

YBN UNIVERSITY

Vision

YBN University envisions to be a global university for Center of Excellence with set standards in education, research, creativity, entrepreneurship and ethical values, overcoming challenges in the service of mankind encompassing equity and productivity.

Mission

With strong belief in the astounding future of our students, YBN University looks forward for these goals and the actions it undertakes. The following are its key prepositions:

- To disseminate knowledge that transform students into leaders who possess the intellect, aptitude, skill and confidence to succeed in all pursuits of life.
- Develop academic programs that meet the needs of regional, state, national and global communities.
- To create a collaborative environment open to free exchange of ideas, where education, research, creativity and entrepreneurship can flourish.
- Collaborate with other educational and non-educational institutions to achieve mutual goals and expand student opportunities through internship and placements.
- Provide students/faculties with the richest possible journey of educational development in a supportive and congenial environment.

Values

- **Excellence**: We aim to achieve excellence in all our work, always being principled, considerate and respectful.
- **Diversity**: We value the opportunity to work, learn and develop in a community that embraces the diversity of individuals enhancing multicultural learning junctures.
- **Integrity**: Having a strong belief to act with honesty, courage and trustworthiness, we support an environment of respect among students/faculties/staffs.
- **Ethical**: Having commitment to ethical and responsible behavior in our own actions, we look forward to develop the same in our students.
- **Innovation**: We build strength through innovation into our curriculum, culture, workplace and campus creating an environment with opportunities for growth and change.
- **Resilience**: We change, adapt and transform, also are creative to meet the ever-changing needs of the University and the Society.
- **Commitment**: We sustain a deep allegiance and commitment to the interests of the region and state in which we are based, alongside our national and international efforts, ensuring relevance to all.

School of Arts & Humanities

To provide quality education the School of Arts & Humanities of YBN University creates and disseminates knowledge of human experience, thought and expression that cultivates intellectual breadth, promotes ethical understanding, builds identity and embraces difference. Deeply engaged with the vibrant cultural life of the country and with the citizens of the state of Jharkhand and beyond, we provide unparalleled opportunities for global and civic engagement. Students of this school gain specialized and interdisciplinary knowledge of people and their cultures through a diverse and vigorous curriculum, developing skills required for life in civil society and leadership in an emerging global community besides aesthetic and intellectual development.

Fundamental concepts

The learning associated with School of Arts & Humanities shall lead to close understanding of the fundamental concepts of the YBN University.

- **Holistic Learning:** The curriculum encourages students to establish links between subjects, cultures and other areas of experience and develop wide range of skills.
- **Intellectual Awareness:** It develops intellectual awareness by exposing students to broader and global context in their studies.
- **Communication:** School of Arts & Humanities provides students with opportunities to develop their abilities in different forms of communication. To communicate these skills effectively, students develop oral and written communication techniques simultaneously. These techniques include speech writing and presentation, information gathering, document production (essays, reports etc), representation using maps, models, diagrams, tables and graphs, and techniques required to work effectively in group situation.

Strategic Goals

- Produce students whose knowledge and skills prepare them to lead their fields and equip them for local and global citizenship. Students will be able to employ concepts and terminology of the discipline in appropriate contexts.
- Illustrate how the Arts & Humanities are critical to a knowledgeable democratic citizen and problem solving in a diverse society.
- Expand and enhance both physical and virtual spaces to promote robust and collaborative intellectual communities and facilitate increased interaction between faculties, students and staff across the campus and beyond.
