

**Message from the Head of the Department of Zoology under School of Sciences,
YBN University, Namkun, Ranchi, Jharkhand, PIN - 834010**

Dear Students of the Zoology Department at YBN University, Ranchi,

As you embark on your journey through the fascinating world of zoology, I want to extend my warmest greetings and best wishes to each one of you.

Zoology is a field that offers a profound understanding of the diversity, complexity, and beauty of life on our planet. From the tiniest microorganisms to the largest mammals, every creature has a story to tell, and it is your privilege as zoologists to unravel these stories.

As the Head of the Department of Zoology at YBN University, Ranchi, I am honoured to address you and share my thoughts about our department.

Our Zoology Department is not just a place of learning; it is a community of passionate individuals dedicated to the study and understanding of the natural world. Here, we explore the diversity of life forms, from the microscopic to the majestic, and unravel the mysteries of their biology and behaviour.

We take pride in our comprehensive curriculum, designed to provide you with a solid foundation in both theoretical knowledge and practical skills. From anatomy and physiology to ecology and evolution, our courses are tailored to equip you with the tools necessary to excel in your academic and professional endeavours.

Our faculty members are not only experts in their respective fields but also committed mentors who are here to support and guide you every step of the way. Whether you have questions about coursework, career options, or research opportunities, our doors are always open.

In addition to academic excellence, we also prioritize hands-on learning experiences. Through field trips, laboratory exercises, and research projects, you will have the opportunity to apply your knowledge in real-world settings and make meaningful contributions to the field of zoology.

Furthermore, our department fosters a culture of collaboration and innovation. We encourage you to engage with your peers, participate in extracurricular activities, and pursue interdisciplinary opportunities that broaden your perspectives and enhance your skills.

As you embark on your journey with us, I urge you to embrace the challenges, seize the opportunities, and never lose sight of your passion for the natural world. Whether your aspirations lie in research, conservation, education, or beyond, know that the Department of Zoology at YBN University is here to support you in achieving your goals.

Together, let us embark on this exciting adventure of discovery and exploration, and together, let us make a difference in the world.

Warm regards,

Dr. Nupur Lal
